Dear Customer,  
Welcome to our Pesach menu.

Please note the following:

- All prices in the menu are in Israeli Shekalim (NIS).
- We make every effort to maintain our high standards of kashrus for Pesach, as well as the rest of the year.
- We avoid manufactured products, and we have dedicated Pesach ovens. All products are non-gebrokts.
- All our ingredients are Bedatz Eidah Chareidis or Bedatz HaRav Rubin. Some vegetables may be Shearis. In addition, we are supervised by a private mashgiach – Rav Fink, who is available to be contacted by our customers.
- All items except for salads will be 'fresh frozen'.

**Please note that all oil used for Pesach is nut oil.**

Delivery details are as follows:

- All standard deliveries will be between 8am and 7pm on Monday 12 Nissan, 3 April. The charge for this delivery, for addresses in Central Israel, is 80 NIS
- Any request for a delivery outside of these times, or in a more specific time bracket, is considered a VIP delivery, and costs 180 NIS.
- For a quote for delivery outside Central Israel, please send us an e-mail with your request.
- Chol hamoed delivery is 280 NIS (Central Israel)

To split an order so that some will be delivered on Chol Hamoed, you must place 2 orders, one for before Pesach and one for Chol Hamoed. Choose Chol Hamoed delivery in the delivery options for the second order.

**Please have your orders in by Thursday 23 March, א' ניסן**

Thank you for your custom.  
I am looking forward to catering your Yom Tov meals.
